3 RIVERS QUILT TRAIL HUMPHREYS COUNTY

Welcome to Humphreys County 3 Rivers Quilt Trail. The trail had it's beginnings in 2009, when Patricia Davis began painting wooden quilt blocks to decorate her family's farm buildings and Bed and Breakfast at Enoch's

Mill in McEwen, TN. In 2013, a mini-grant was awarded to Humphreys County Arts Council by 5 Rivers Resource, Conservation, and Development to develop a Quilt Trail throughout Humphreys County. The "Carpenter's Wheel" block was installed at Johnsonville State Historic Park in March, 2014. Six months later, over fifty more blocks had gone up. The businesses and citizens of our County are committed to making the 3 Rivers Quilt Trail the most successful and enjoyable Quilt Trail in Tennessee.
