Gutter Bound Distillery is nestled right off Interstate 40 half-way between Nashville and Memphis. Our goal is simple. We produce Craft American Spirits, in the spirit of the American Craftsman. We do it ourselves, and do it right. Our products will never be outsourced, and we will choose quality over quantity every time. Each bottle contains locally produced, small batch, handcrafted spirits.

We are located 1/4 mile off Interstate 40 at exit 143, in the tan metal building with a blue roof, at the top of the hill directly behind Loretta Lynn's Kitchen.
